

REFERENCE LETTER

SEC Pomorze Sp. z o.o. participated in **the ELDFISK 2/7S PROJECT** during prefabrication phase, which took place in Kvaerner Stord subcontractors yards in Poland within period of 11.2011 to 04.2013.

Provided services covered activities such as: administration, welding inspections, piping supervisions, dimension control and logistic. They all were carried out with high quality standards. Employees' experience and high qualifications essentially developed project in the right directions.

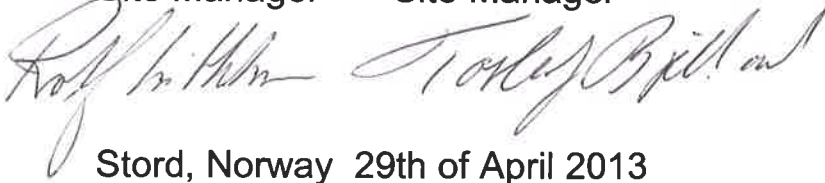

SEC Pomorze Sp. z o.o. confirmed good co-operation and fulfilled the Client's requirements.

Our company recognizes your valuable contribution on the project and presents you with this certificate.

Sincerely,

Rolf Litlehamar Torleif Bjelland
