KVÆRNER

REFERENCE LETTER

With this letter we would like to give SEC Norge AS reference for fitting and welding works carried out by the company during

ELDFISK 2/7S PROJECT

in Kværner Stord AS yard within period of 2012 and 2013.

The scope of works was covering the following activities:

- fitting works
- welding works

on spools prefabrication of Titanium, Super Duplex, Duplex and 6MO.

The works were carried out with maintenance of high quality standards which confirms employees high qualifications and professional work provided by SEC Norge AS, as well as good co-operation and fulfillment of the Client's requirements.
