

REFERENCE LETTER

With this letter we would like to give SEC Norge AS reference for fitting and welding works carried out by the company during

TRANSOCEAN BARENTS PROJECT

in Kværner Stord AS yard within period of 12.05 - 10.09.2014.

The scope of works was covering the following activities:

- fitting works (pipe/ plate fitters)
- welding works (TIG/ FCAW welders)
- site work leadership (Shift Leader)
- spools prefabrication of Super Duplex, Duplex and 6MO.

The works were carried out with maintenance of high quality standards which confirms employees high qualifications and professional work provided by SEC Norge AS, as well as good co-operation and fulfillment of the Client's requirements.
