AkerSolutions

REFERENCE LETTER

With this letter we would like to give SEC Norge AS reference for thermal insulation works carried out by the company during renovation and conversion on the

NJORD FUTURE Project

in Aker Solutions AS yard at Stord within period from 2017 to 2022.

The scope of services was covering supply of highly skilled insulation personnel:

1. Thermal insulation operators
2. WPI – Work preparation insulation personnel
3. Insulation survey operators
4. Insulation prefabrication operators
5. Insulation foremen

The works were carried out by SEC Norge employees with maintenance of high quality standards which confirms high qualifications and professional experience of the personnel. As well as is proof of delivering services in line with good industry practices, cooperative attitude and focus on fulfilment of the Client's requirements.
